

Home School INVESTIGATIONS

— *at* The Dawes Arboretum

Sessions meet each month on the second Tuesday (1:30 - 3pm) and repeat on the second Friday (10 - 11:30am). All home school students, ages 6 – 10-years-old are welcome. Fee is per student, \$5 for members and \$7 for non-members. Space is limited; reservations are required. Register at www.dawesarb.org

September 12 and 15	Adopt-a-Tree Make a nature journal, and choose a tree from our collection to monitor and study all year.
October 10 and 13	Anatomy of a Flower Dissect a fall flower and learn the importance of these beautiful late bloomers.
November 14 and 17	Mysteries of Migration Take a look at wildlife and their outstanding winter journeys.
December 12 and 15	Wildlife Detectives Search for clues, collaborate with friends and solve a wildlife mystery.
January 9 and 12	Wonderful Winter Hike Bundle up and come explore an exciting Arboretum trail. We'll find lots of life and activity amongst the trees!
February 13 and 16	Become a Citizen Scientist Learn about OH birds, become a citizen scientist and add data to the Great Backyard Bird Count.
March 13 and 16	Roaming Reptiles Examine our live reptiles as you learn about what makes this class of animals so very special.
April 10 and 13	Learning from the Lorax Learn how to "speak for the trees" as we have some pre- Arbor day fun!
