

Home School INVESTIGATIONS

at The Dawes Arboretum

Supplement your science curriculum by joining other home school students in hands-on science study. Sessions meet each month on the second Tuesday (1:30 - 3pm) and repeat on the second Friday (10 - 11:30am). All home school students, ages 6 – 10 years old are welcome. Fee is per student, \$5 for members and \$7 for non-members. Space is limited; reservations are required. Register at www.dawesarb.org

|---------------------|--|
| September 11 and 14 | Incredible Insects <i>Go on an insect hike to get acquainted with the local six legged creatures. Visit with some tagged monarch butterflies before their long migration.</i> |
| October 9 and 12 | One Square Foot <i>Hurray for biodiversity! Teams will explore and tally natural and man-made items in this fun scientific investigation.</i> |
| November 13 and 16 | Active at Night: Nocturnal Animals <i>“What makes an animal nocturnal? Can you name some nocturnal animals?” Have fun learning about our nocturnal friends.</i> |
| December 11 and 14 | Go Bucks! <i>How well do you know the white-tailed deer? We’ll explore just how the deer is specially adapted to escape predators and survive the harsh Ohio winter.</i> |
| January 8 and 11 | Wildlife in Winter <i>Investigate the animals that live all around us! Create a gift especially made for backyard wildlife.</i> |
| February 12 and 15 | Trashology 101: Papermaking Fun <i>By reducing waste and recycling, we can help save the environment! Let’s investigate the papermaking process and take home a beautiful and practical product.</i> |
| March 12 and 15 | To Be a Tree <i>Learn about tree lifecycles, essentials for survival and how a tree is similar to a factory!</i> |
| April 9 and 12 | Vernal Pool Nursery <i>Jump into a study of this fun class of animals as we see what’s swimming in our Cypress Swamp.</i> |
