

2020 Scarecrow Contest Entry Form

Contest Information

- Due to COVID-19 considerations, scarecrows must be installed during your assigned time the week of September 28. Arboretum staff will call to arrange a set up time after your entry form is submitted. Please do not harm Arboretum trees and plants during scarecrow installation.
- All entries must be appropriate for a family audience.
- Scarecrows must be durable enough to withstand fall weather conditions. Clothing and accessories must be securely attached to the scarecrow.
- Entries deemed unstable or inappropriate for a family audience will be removed.
- The dimensions of the display area for each scarecrow are 4 feet wide by 4 feet deep.
- No electricity is available for scarecrow displays.
- The Dawes Arboretum is not responsible for lost, stolen or damaged items associated with the scarecrow while on display.
- Scarecrows must be removed during your assigned time the week of November 2. Arboretum staff will call to arrange a removal time the week of October 22. If you would like The Arboretum to dispose of your scarecrow after the contest, please initial that box on your entry form.
